> OF DRIVERS WHO WERE ISSUED AND PAID A VIOLATION DID NOT RECEIVE A SECOND*

ADVANCED FEATURES

MULTI-JURISDICTIONAL SUPPORT
Count on CrossingGuard to identify and support adjudication of violations across multiple jurisdictions.

GPS LOCATOR MAP
In addition to images and video, evidence packages include a GPS map of where and when a violation took place.

SILENT ALARM BUTTON
With a simple push of a button, a bus driver can send a message alerting authorities to an incident.

LIFE-SAVING

CrossingGuard stop arm safety camera programs are an effective way to discourage drivers from illegally passing a school bus.

COMMUNITY-BUILDING

CrossingGuard stop arm safety camera programs unite counties, school districts, law enforcement and communities in a joint initiative to protect children as they travel to and from school.

VIOLATOR-FUNDED

Launching a CrossingGuard school bus stop arm safety camera program requires no upfront costs.
