

# TollGuard™

## Eliminate Expensive Toll Violations

Tolls are not only a significant cost, the time required to manage toll payments and violations is also a costly administrative burden for carriers.

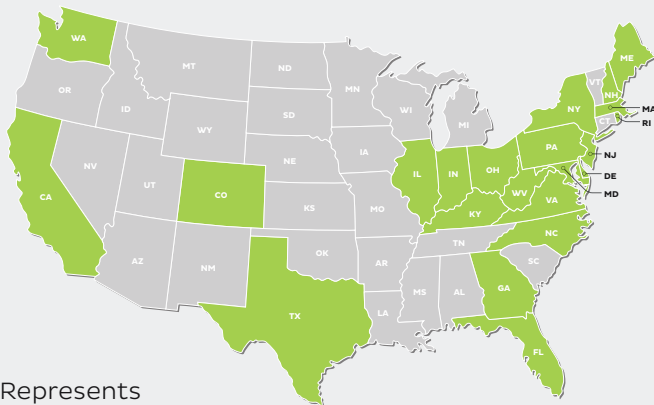

Our toll management solutions can be tailored to meet intermodal industry fleet needs by consolidating accounts and eliminating the hassle and cost of penalties while providing the convenience of a national toll network.

### Benefits of TollGuard

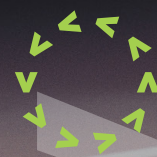

- National Coverage
- Fine and Penalty Protection
- Eliminates Pay by Mail/Web
- No In-Vehicle/Chassis Device Required
- Account and Payment Consolidation
- Vehicle Level Reporting
- Maximize Cost Recovery
- Customer Service with Dispute Resolution
