

WORK ZONE SPEED SAFETY CAMERA PROGRAMS

SLOW TRAFFIC AND ENHANCE SAFETY IN WORK ZONES

**Reduce
Speeding**

**Enhance
Crew Safety**

**Change
Driver Behavior**

**Fund Community
Safety Initiatives**

The **SAFE WORK ZONE SOLUTION** combines transportable speed camera technology and three-dimensional tracking radar for the deployment of on-the-go work zone speed enforcement.

The ability to relocate and quickly configure transportable units from one work zone to another gives law enforcement agencies tremendous flexibility to slow traffic and protect work crews.

➤ Automated Enforcement

➤ Flexible Deployment

➤ Multi-lane Coverage

➤ Battery-Powered

VERRA MOBILITY
