

ONE-STOP SOLUTION

FOR SCHOOL BUS SAFETY

SAFETY PACKAGES PAID FOR BY VIOLATORS.

Modernize your school buses inside and out with a safety technology package paid for by stop-arm violators.

RELAX. WE'VE GOT YOU COVERED.

Verra Mobility leverages advanced school bus technologies to ensure rider and driver safety.

Our proprietary smart mobility platform and full-service solutions make implementing a highly complex school bus safety program easy for our clients.

From installation through paid citation and beyond - we are your one-stop solution for school bus safety.

A 10-YEAR SAFETY JOURNEY.

CrossingGuard camera systems have effectively captured stop-arm events for school districts of all sizes across the United States for more than a decade.
